# WINCO WEBSITE

## PRODUCT CATALOG DESIGN

**WinCo**  
**FOODS**

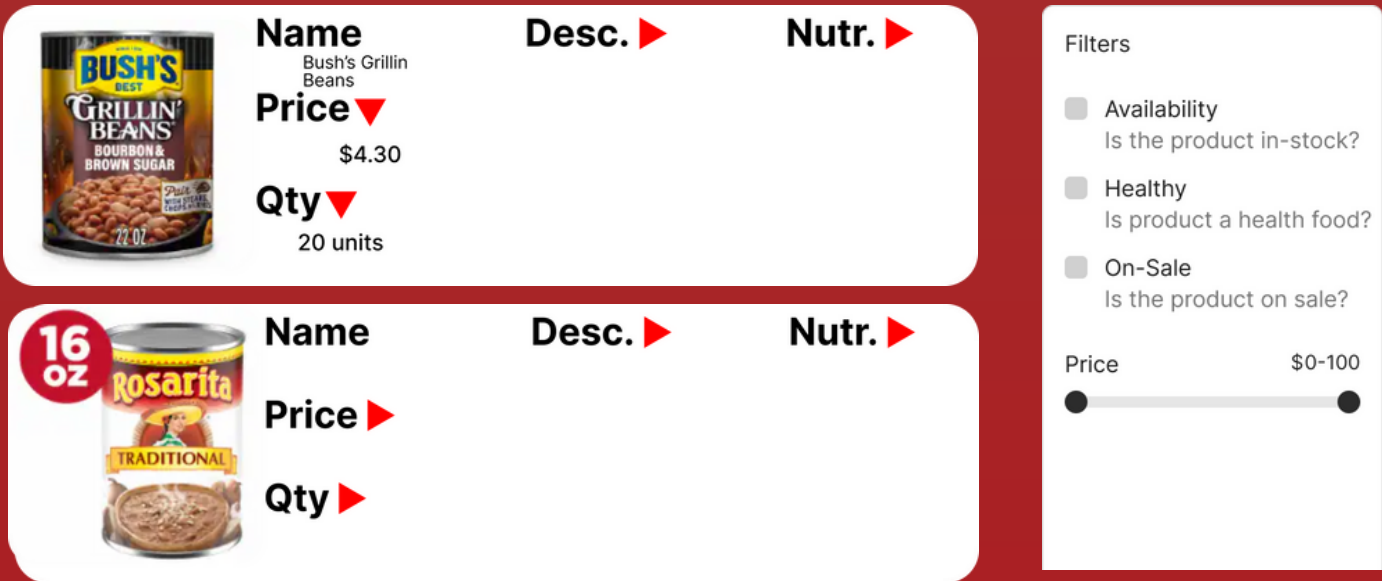

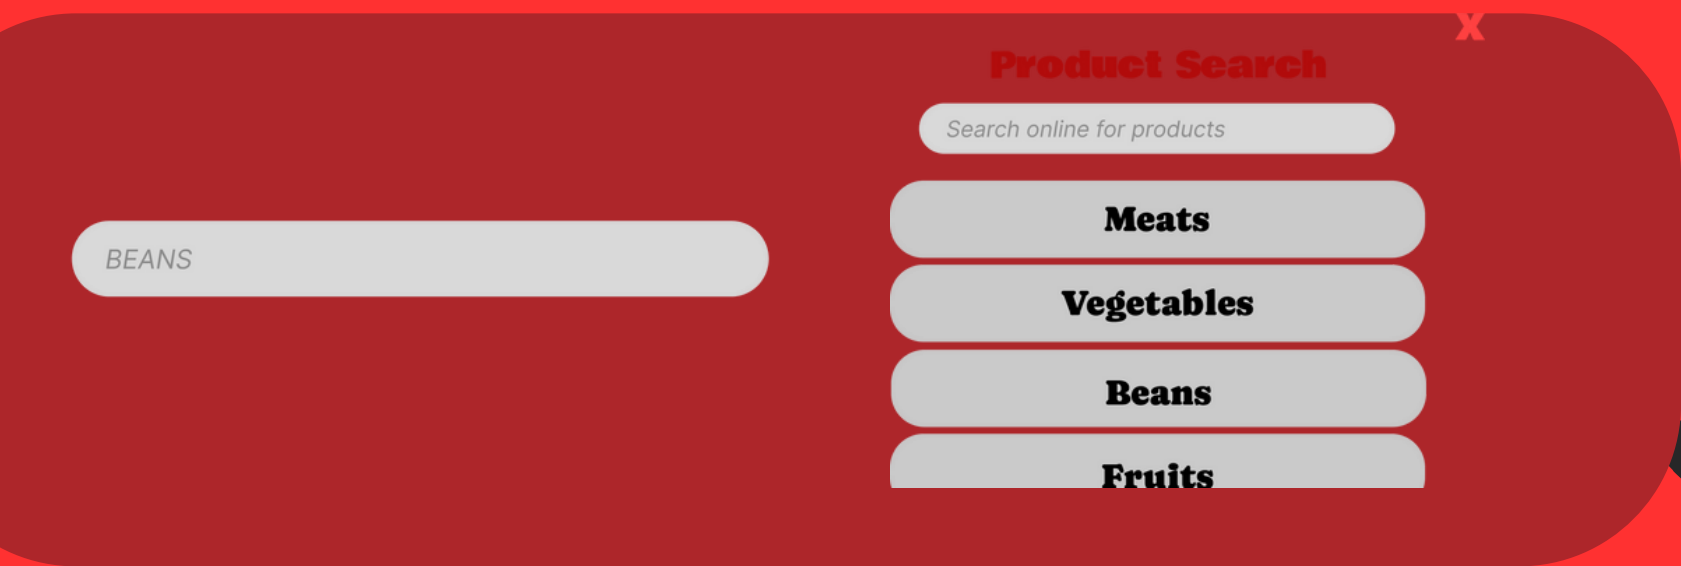

### CONCEPT

Update the WinCo website to better fit user needs by updating available products, providing information about products, and allowing the user to create a list that can be used in store. The website design is easy to use and aligns with WinCo’s values by not being an expensive or complicated update.

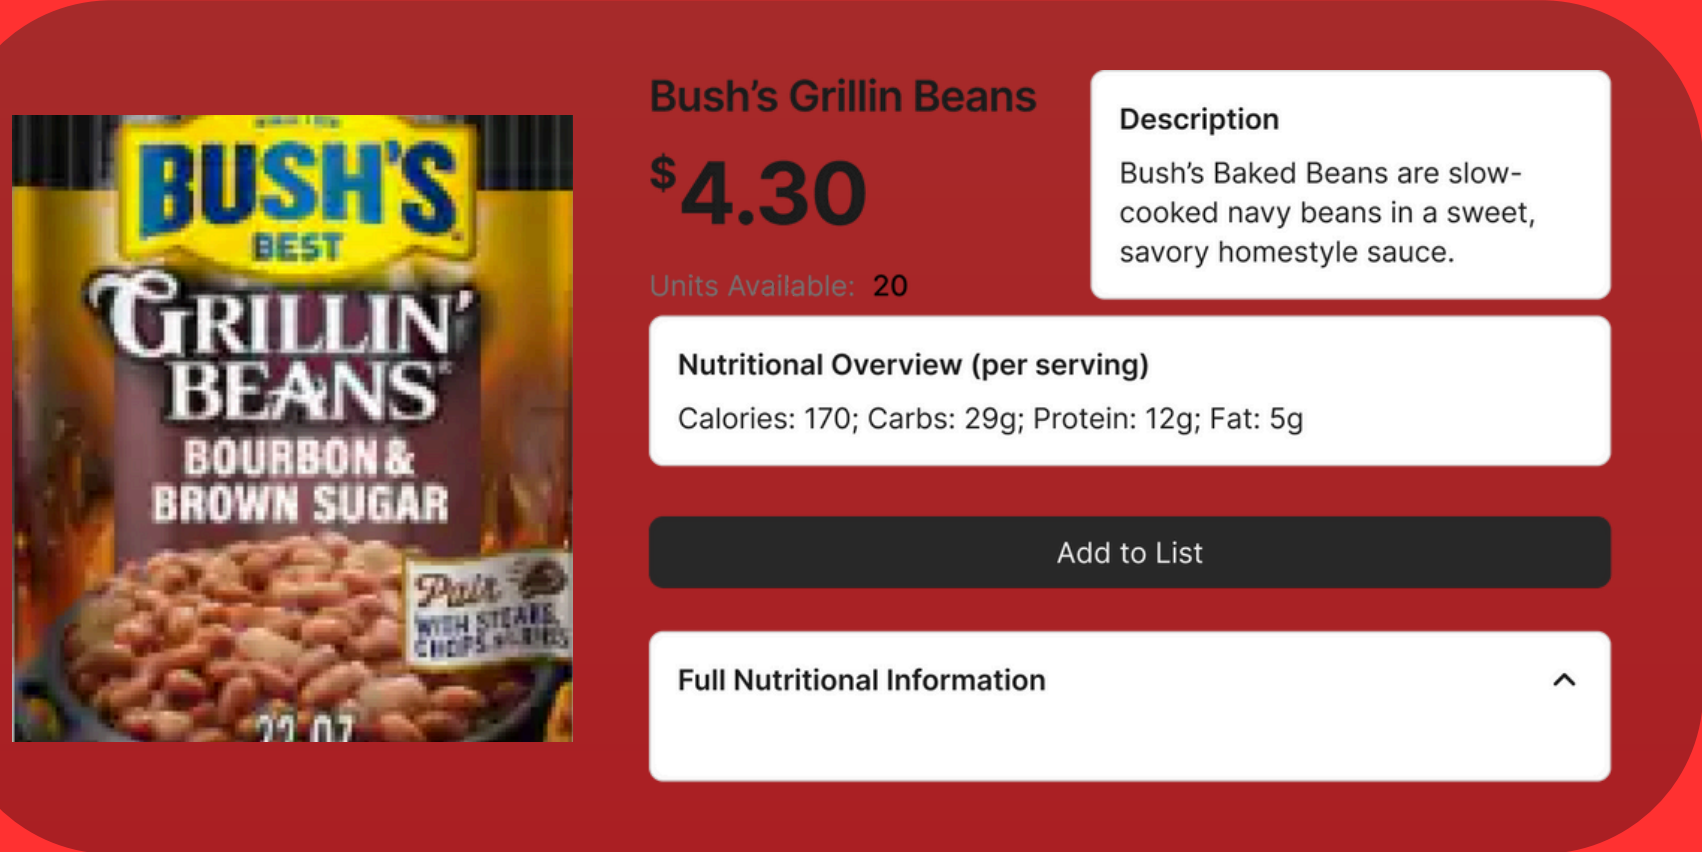

### EXPERIENCE OF USING IT

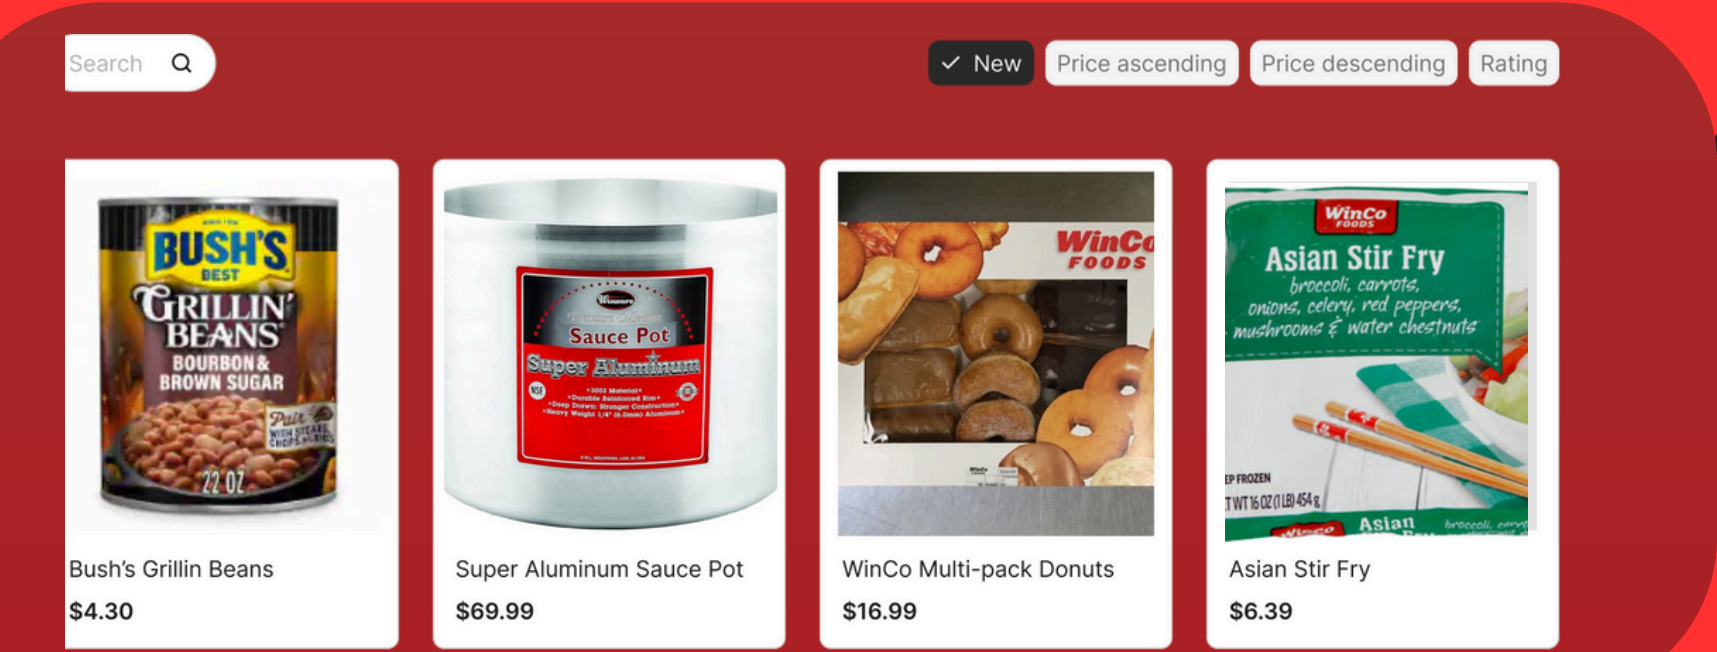

MAIN PAGE ALLOWS USER TO SEARCH FOR PRODUCTS OR BROWSE PRODUCT CATAGORIES.

PRODUCT BROWSER SHOWS ALL OF THE PRODUCTS AVAILABLE IN WINCO , PRICE AND QTY OF THE PRODUCT, AND ALLOWS THE USER TO FILTER SPECIFIC CATEGORIES.

ONCE A PRODUCT HAS BEEN CHOSEN THE USER CAN LOOK INTO DETAILS LIKE A DESCRIPTION, NUTRITIONAL FACTS, PRICE, AND UNITS AVAILABLE. USER CAN ALSO ADD TO A LIST FROM HERE.

THE LIST TAB ALLOWS THE USER TO SAVE PRODUCTS IN ONE PLACE SO THEY CAN REFERENCE THEM IN STORE.

### FUTURE DEVELOPMENT

IN THE FUTURE THIS DESIGN COULD BE FUTHER DEVELOPED TO INCLUDE ONLINE SHOPPING, WHERE THE CUSTOMER CAN GET GROCERIES DELIVERED OR PICK THEM UP IN-STORE.
